---

**Pre-qualification procedure and modalities**

Procedure and modalities required for pre-qualification for to participate in calls for tender for the exercise of the activities of prospecting and/or mining exploration in Algeria, are defined as follow:

## **1 . Required documents and information**

- The pre-qualification demand shall be composed of the Letter for expressions of interest as well as legal, technical and commercial documents and information as defined in the appendix 1 , 2 , 3 and 4 attached therein.
- The letter for expressions of interest for the prequalification step shall be made in French and signed by the legal representative of the company.
- Legally certified copies of legal documents shall be sent in their original version but with a translation in French. Annual audited financial reports and accounts shall be sent in their original version but with a translated copy in French, unless the original document is already in French or English version. Any other document or information, and technical ones in particular, shall be received in French or English version.

## **2 . Modalities of transmission and processing – Pre qualification demand**

The demand shall be sent to the ANPM, by mail or by carrier in three paper copies and one soft copy (CD support) to the following address:

*Ministère de l'Energie et des Mines*

*Agence Nationale du Patrimoine Minier*

*« ANPM »*

*Tower B, Val d'Hydra 16035 Algiers, Algeria.*

- The demands sent by e-mail will not be accepted.
- The envelopes shall have mentioned on them « Request for Expressions of Interest n° 04 / 2009 ».
- When the ANPM considers the demand to be complete and no additive information is required, shall notice the candidate within eight ( 08 ) days from receiving the demand of pre-qualification on its decision related to that demand.
- Within eight ( 08 ) days from the date of receiving the demand, the ANPM shall inform the candidate whether the demand is complete and whether additive information is necessary, including a meeting with the candidate if considered necessary for a better understanding or explanation on the demand, the candidate shall provide the requested information.

In that case, the ANPM will notify the candidate within the eight ( 08 ) days from the date of reception of the requested additive information or explanation, the decision taken related to that demand.

### **3 . Pre-qualification demand reception deadline**

- Taking into account the issuing very soon of the Call for bids, the pre-qualification demand shall be sent to the above mentioned address at the latest on October 22 nd , 2009 at 4 p.m.

#### **The pre-qualification:**

ANPM will deliver a notice of pre-qualification stating the prequalified person is allowed to bid for the tender.

Shall be pre-qualified only companies having technical qualifications and a duly proven experience to act as Operator and having financial capacities required to meet contract dispositions.

Any company having sent an incomplete request shall not be pre-qualified

Any prequalification demand received by the ANPM beyond the dead line shall not be considered.
